Let Spring Begin
Hello Friends & Family, we hope the year has started out great for you all! It has definitely been great for us! We can't wait to start our garden back up which will be right around the corner. That is always a fun time for us to go shop for vegetables and beautiful flowers! Now that the weather is starting to get nice we are looking forward to our daily walks outside, and enjoying the Spring & Summer weather. We are also planning on going out to watch the horse races out at Fonner Park! We hope you all have a wonderful Spring & Beginning of Summer!

Paws and Purrs

It doesn't get any cuter than March 23, when it is both Cuddly Kitten Day and National Puppy Day. The debate between cat people and dog people rages on. At the Westminster Dog Show, dog authorities argue that they are outgoing while cat people are more aloof. Cat owners over at the Black Diamond Cat Show say they are more intelligent and independent than their dog owning counterparts. According to researchers, dog people are more extroverted, agreeable, and conscientious. Cat lovers are a bit less traditional and more artistic. Both parties, however, love to cuddle.
