## Hello January!

A new year dawns, the slate is clear,

With hopeful goals, I persevere.

I'll chase new dreams, both bright and bold,

And cherish lessons life has told.

I'll love more deeply, strive my best,

Through every trial, pass the test.

Though obstacles may cloud my way,

My inner strength will light each day.

This month's a gift, a chance to renew,

To build a life that feels more true.
